NORTHERN ENGLISH BROWN ALE (ALL-GRAIN)

Northern English Brown Ales are a sub-style of English Brown Ales that have a distinctly more nutty and biscuit flavor when compared to the more caramel notes of Southern English Brown Ales. This brew draws a lot of that nutty/biscuit flavor from our combination of Victory, Brown, and Special Roast Malts. In addition to a delicious malt forward flavor our Northern English Brown Ale has a great English style hop backbone that is balanced very well with the malts to create a the perfect pint for you to enjoy in the comfort of your home.
